## INSTRUCTIONS FOR PATIENT

- 1 Your initial visit, with the exception of certain emergency cases, is for consultation only. This allows us to fully review your health history and determine the most appropriate treatment for you.
- 2 If you have any special medical problems and/or are taking any medications, please bring a complete list of these to your appointment for our review.
- Any patient under the age of 18 years must be accompanied by a parent or legal guardian at the consultation appointment. These patients must also have a consent signed by a parent or guardian prior to surgery.
- 4 Estimates of fees are given only after review of x-rays and examination. Please bring all insurance information to your first appointment, including insurance company name, telephone number, and subscriber's social security number, as well as any x-rays your dentist may have given you.
- If you have internet access, you can complete your initial paperwork by clicking on the Online Forms section of our website, at www.jawmouthface.com. We have both Patient Registration and Health History forms available on the website. If you are unable to access our website, we'll be happy to mail your paperwork to you.
- 6 If surgery is to be completed under IV sedation or general anesthesia, please do not eat or drink any food or liquids for six (6) hours prior to your appointment, and have a responsible adult drive you home.
- If you develop a cold or fever prior to your surgery, please contact our office for instructions.
